# About

Chai, as we call it in India, isn't simply Chai but is a staple beverage and a day without Chai is impossible & incomplete. Chai is India's and world's beverage of choice, after water and plays quite a significant economic, social, & cultural role in our daily lives.

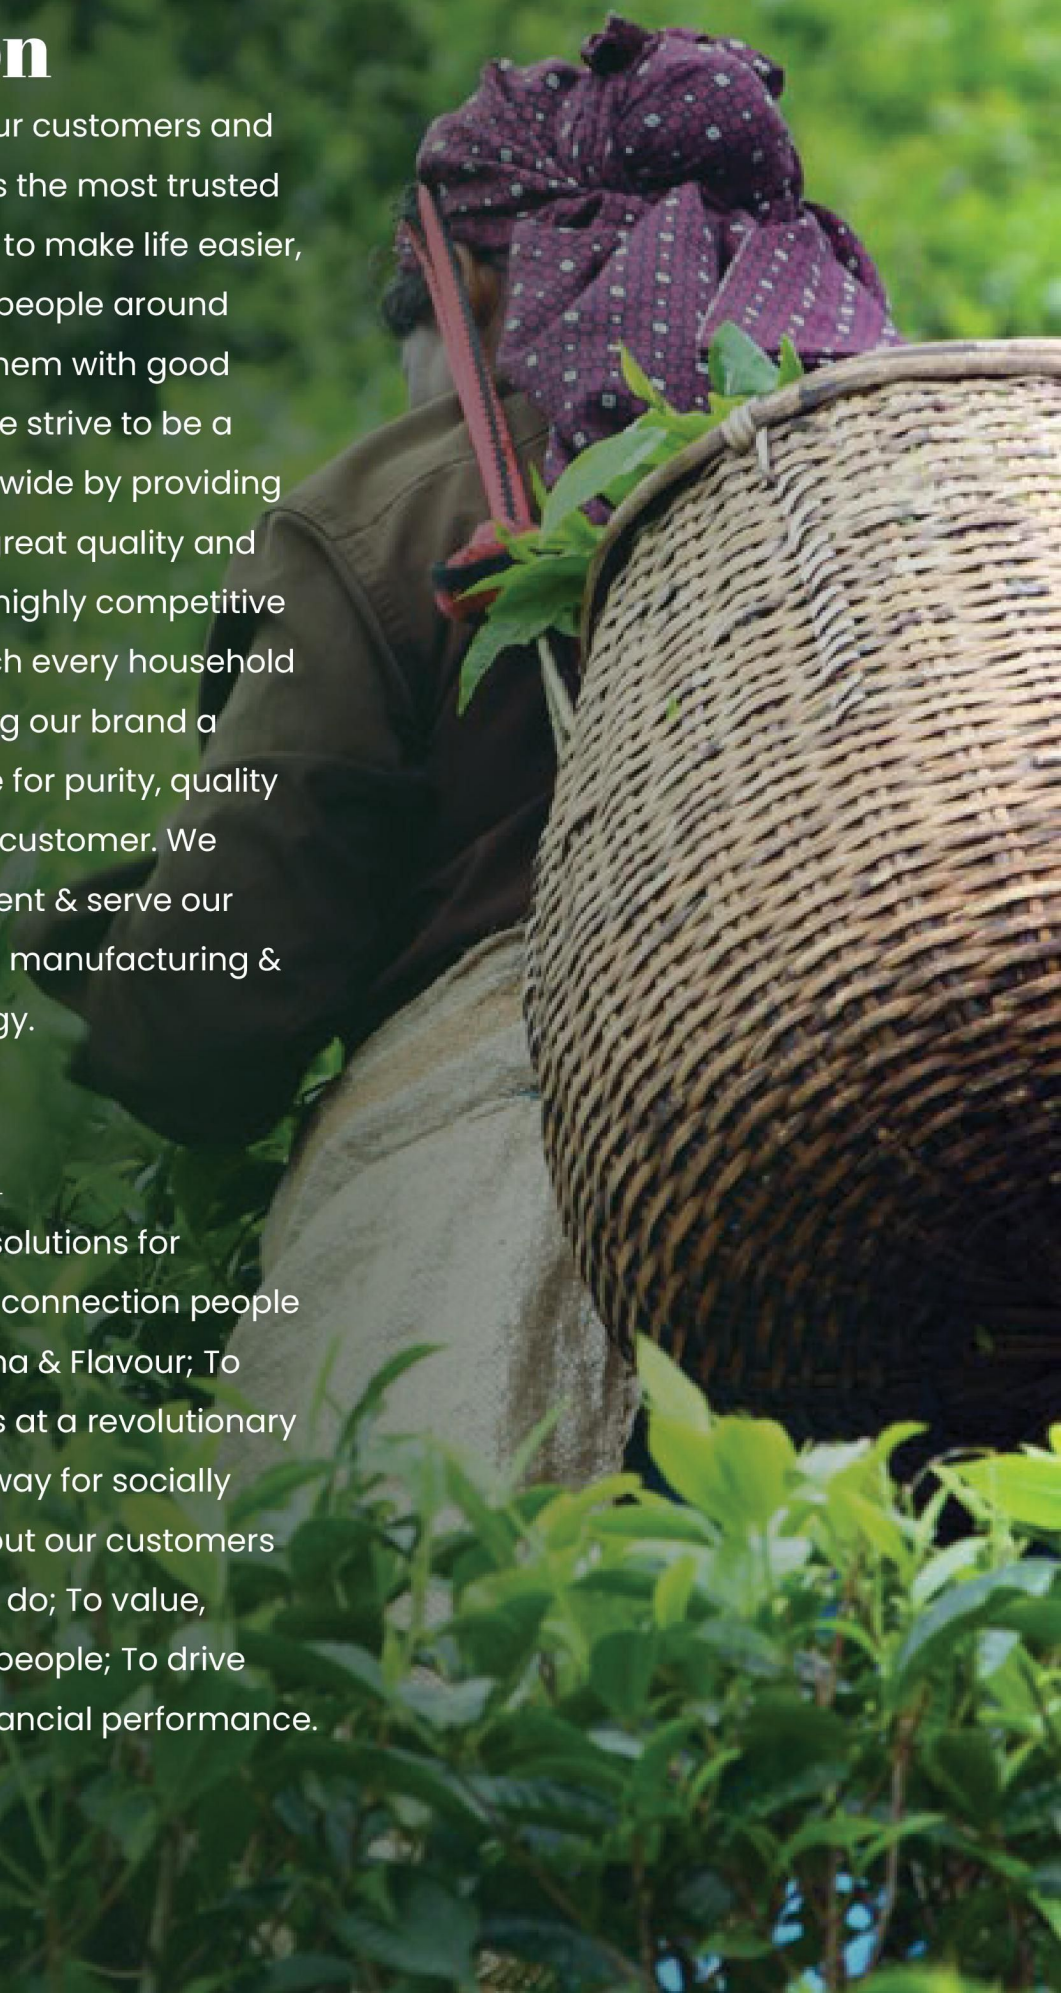

Our Chai's are specially handpicked to suit the Indian palate. We strive to serve to the tastes of the chai lovers so they can experience and explore the variety of chai. Our team of chai lovers are dedicated to delivering a perfect cup of chai to our customers. Right from purchasing chai, we ensure that hygiene and safety standards are observed at our Chai blending and packing unit with modern infrastructure. Chailicious offers one-stop shopping for a variety of best chai flavours with our premium, classic and regular segments.
